Division of Municipal Accounting
State Tax Commission
Concord, New Hampshire

February 9, 1948

Board of Selectmen
Littleton, New Hampshire.

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the account of the Town of Littleton covering the fiscal year ended December 31, 1947, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the audit and examination were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Municipal Court, Overseer of the Poor, Road Agent, Library Treasurer and Park Commission. The account of the Water and Electric Light Department and the Village District were also audited and separate reports are being made for each of these divisions.

Financial Statements

Comparative Balance Sheets—Dec. 31, 1946-Dec. 31, 1947: (Exh. A)

Comparative Balance Sheets, as of December 31, 1946 and December 31, 1947, are presented in Ex-

hibit A. As indicated therein the Surplus decreased by $3,299.26 during the year.

Analysis of Change in Financial Condition: (Exh. B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures, Estimated and Actual Revenues: (Exhibits C and D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1947, are presented in Exhibits C and D. As indicated by the Budget summary (Exhibit D), a net overdraft of appropriations of $23,821.82, less a net reserve surplus of $9,630.13, resulted in a net budget deficit of $14,191.69.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1947, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of December 31, 1947, is indicated in Exhibit F.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books

of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified.

General Comments

Overpayment to Village District:

The overpayment of $9,442.50 to the Village District during 1947, has been set up as an asset in the balance sheet and indicated as "advance on 1948 taxes".

Appropriation Overdrafts:

It is noted that total appropriation overdrafts during the year amounted to $27,990.92, of which amount $21,326.50 was on account of highways. In the preparation of the budget for 1948 careful consideration should be given to the matter of the sufficiency of highway appropriations in relation to present requirements and costs.

Appropriations and Expenditures:

The total expenditure column and each classification account column in the Selectmen's book should be totaled monthly in order that comparison between expenditures and appropriations may be made throughout the year.

Tax Collector:

The Tax Collector, when remitting to the Town Treasurer, should report separately tax collections and redemptions from tax sales.

It is noted that the tax sale account (Exhibit L) shows unredeemed taxes as far back as 1936. This account should be carefully gone over by the Selectmen and Tax Collector. Any unredeemed items on account of the levies of 1944 or prior years should

either be deeded to the town by the Collector or abated by the Selectmen if there is any reason why a deed cannot be taken.

Yours very truly,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Norman P. Schauer, Auditor

Roger G. Guilmette, Accountant

To the Board of Trustees of the Littleton Public Library, the Annual Report of the Librarian is Herewith Submitted:

The long needed repairs to the library roof were completed this year. Because of that expense the budget for the actual running of the library remained on the level of the pre-war years. The difficulty experienced can be readily understood when we are informed by the American Library Association that in order to provide library service equal in quality and quantity to the years before the war, a 50% increase in budget is necessary. This statement was based on recognition of the fact that library operating costs, like all costs, have risen greatly.

It is hoped that with more adequate funds for the Littleton Public Library, needed improvements can be carefully planned and undertaken over the period of the next few years until the book collection is up to date and equal to town demand, and the building itself attractive and in good condition.

Reference use of the library has noticeably increased during the past year. One important project for 1948 is to make a beginning in strengthening the reference department's resources. In some fields it is well supplied; in others it is seriously out of date. Our aim will be to build up a well rounded collection much needed in work with the schools which depend on the library for reference help.

In order to supply the many requests for detective, western and light love stories we have been sharing books with the Weeks Memorial Library in Lancaster. Twenty or thirty books at a time are exchanged for a period of three months. It is a very satisfactory way to provide different books for patrons without expense to either library.

Generous gifts of both money and books were received. Gift books in 1947 totalled 92, a welcome increase over last year. These additions were much appreciated and have helped greatly with the book fund restricted as it has been. The librarian will be glad to call for any gift books.

New books were presented to the library as memorials to Roger Richardson, Harry Parker and Mrs. Jennie Marston. A dozen memorial books have been received since the adoption of the custom in this town a few years ago.

May I thank the trustees and patrons of the library for their interest and encouragement during the year?

Mary Ames,

Librarian

Board of Commissioners
Littleton Village District
Littleton, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Littleton Village District for the fiscal year ended December 31, 1947, which was made by this Division. Exhibits as hereafter listed are included as part of this report.

The Net Debt of the District increased by $4,055.57 during the year. This resulted from a budget deficit of $7,055.57, less notes and bonds paid in the amount of $3,000.00.

An advance on the 1948 Village District appropriation amounting to $9,442.50, was received from the Town and this item appears as a liability in the Balance Sheet of December 31, 1947. It should be included in the 1948 budget of the Village District as a deficiency appropriation.

Yours very truly,

Harold G. Fowler, Director
Division of Municipal Accounting

To the Citizens of Littleton:

We herewith submit the annual school report. The report includes budgets and estimated receipts for this year and next year; report of the Division of Municipal Accounting of the State Tax Commission for the fiscal year July 1, 1946 to June 30, 1947; and written reports of the superintendent of schools and the headmaster of the high school.

An increased budget is necessary for the next school year due to present day demands for increased teacher salaries and some other increased expenses. The school board recommends an appropriation of $83,490.00.

Superintendent's Report

To the School Board and Citizens of Littleton:

It is with pleasure that I submit my annual report relative to your schools.

Several changes have taken place in the faculty membership since the last report. Six changes took place during the vacation period and three since the opening of schools in September.

Mr. Bartlett McKinney, a graduate of the University of New Hampshire, receiving both Bachelor's and Master's degrees from that institution, with 13 years' teaching experience, four of them as headmaster in Whitefield High School, was elected headmaster of Littleton High School.

Mr. Weston Root, a graduate of Springfield College, with graduate work at the University of New Hampshire, was elected as social studies teacher and boys' athletic coach to succeed Arthur Harrison who resigned to enter business.

Mr. William Weiss, Jr., a graduate of Boston College, with graduate work in Boston University, was elected teacher of English and Latin to succeed June Armitage who resigned to take up further study.

Mrs. Charlotte Curran, a graduate of Plymouth Teachers' College, with several years' experience in Farmington, was elected to succeed Miss Helen Pearce who concluded her teaching duties to get married.

Miss Marjorie Davis, a graduate of the University of New Hampshire, with graduate study at Middlebury, was elected to teach English, replacing Miss Grace

Cassidy who resigned to return to school for further study.

Miss Lyle Hood, a graduate of Plymouth Teachers' College, with graduate study at the University of Vermont and Keene Teachers' College, and with experience in West Lebanon, Lincoln and Derry, was elected teacher of Grade III in the Kilburn School to succeed Miss Marguerite Carroll who resigned because of marriage.

Mrs. Althea Haskell, a graduate of Plymouth Teachers' College, with two years' experience in Bristol, was elected as teacher of Grade I, in the Apthorp School to succeed Ruth Holmes who resigned to accept a similar position in Vermont.

There have been several changes that have taken place since the opening of schools in September.

Miss Doris Porter, a graduate of Fitchburg Teachers' College, with graduate work in Boston University, and experience in Princeton and Winchendon, Massachusetts, was elected to replace Miss Marjorie Davis who resigned in October.

Mrs. Edna Schopperle, a graduate of Keene Teachers' College and the University of New Hampshire, with ten years' experience in Laconia, was elected to replace Mrs. Charlotte Curran who resigned in November because of illness.

Mrs. Beatrice Tunney, a graduate of Plymouth Teachers' College, with previous experience in the schools of Littleton, was elected to replace Mrs. Althea Haskell who resigned in January.

The enrollment last year was 643. This year a total of 600 have registered to date as compared with 637 at the corresponding time a year ago.

Major repairs and improvements to school property include repairing the Apthorp School roof, painting

walls and ceilings in the Apthorp School, installation of shower baths in the Apthorp School, painting of boys' and girls' toilets in the high school, installation of a number of new window shades in both the Apthorp and Kilburn Schools, and the surfacing of the lower half of the Kilburn grounds as well as resurfacing the upper portion. The ordinary seasonal minor repairs to keep the buildings and equipment in good condition were done during the summer months.

Thirty new seats and desks were purchased for one room in the Apthorp building to replace some that were in very poor condition.

The report of the school nurse shows that 662 pupils were examined and the following defects found and reported to parents: Underweight 139, defective vision 69, defective hearing 6, cardiac disease 3, contact cases pulmonary disease 12, deformity 6, defective teeth 67, diseased tonsils 16. A special physical examination was given to members of the athletic teams. The audiometer test was given to 505 students.

The penny milk program is being continued this year. A lunch consisting of one hot dish is served at cost during the winter months to supplement the lunch brought from home in the lunch box.

Subscriptions to a number of professional magazines have been purchased and teachers have been given an opportunity to read about and study what is being done in other systems and to follow trends in modern education as discussed by leading educators in the country.

All teachers are members of the New Hampshire State Teachers' Association and a number are members of the National Education Association.

Prices on school supplies and equipment continue to rise. A large number of items are still on the scarce

list, however, the pupils have been provided with adequate materials and modern, well written textbooks.

The teacher situation in the country is still serious. There has been some relief in certain fields. The greatest shortage seems to exist in the field of practical arts. In spite of the high rate of turnover in the profession, Littleton has been fortunate in being able to keep every position filled with a well trained teacher.

In closing I wish to express my sincere appreciation to the citizens of Littleton, the school board, teaching staff and other district employees for their cooperation during the past year.

Respectfully submitted,

Leslie S. Cummnigs

Headmaster's Report

To the Superintendent of Schools:

Following is my first report as headmaster of Littleton High School.

REGISTRATION:

The total number of pupils registered in the high school thus far this year (Jan. 1, 1948) is 286. This compares with a total of 294 registered at this time last year. Of the students included in the total given above 11 have left school since September, most of them because of the fact their families have moved from Littleton. The registration by classes is as follows:

	1947-48	1946-47
Seniors	46	45
Juniors	51	52
Sophomores	67	55
Freshmen	60	78
8th Grade	33	29
7th Grade	29	35
	286	294

CURRICULUM

One change has been made in the curriculum for this school year. The course in Practical Physics which was taught last year was dropped and a course in Science Survey was added. This new subject, for which 17 pupils have enrolled, is proving most worthwhile. A proposed change in the curriculum for the next school year is a one half unit course in Driver and Safety Education, which should help fill a real need in the education of the pupils of the school.

THE TEACHING STAFF

Four new teachers were on the teaching staff when school opened in the fall, and since that time three new members have joined the faculty. The quality of the teaching in the school is extremely fine and the community should be appreciative of the fact that in few, if any, comparable New Hampshire schools, is there such a capable group of teachers. Both you, as superintendent, and the school board are to be congratulated on maintaining such a competent staff during these difficult times.

EXTRA CURRICULA ACTIVITIES

A full program of extra curricula activities is being carried on. The athletic program, in the competent hands of Raigh Mason, Weston Root and Joyce Cleland is engaging the attention of many of our pupils. An ambitious winter sports program, involving both ski team competition and ski instructon, is being attempted. Dramatics, the school paper, music and various social events offer the pupils of the school excellent opportunities to improve themselves in their leisure time. A school Safety Patrol, which watches over the traffic habits of the children in both the high school and Kilburn school is in successful operation. This patrol is under the supervision of the school Policy Committee, which is composed of 12 of the student leaders of the high school.

GRADUATES

A class of 41 graduated in June, 1947. Of this number 11 are continuing their education in institutions of higher learning. It is too early to report positive evidence of achievement because college grades have not yet been issued, but negative evidence, represented by warnings of poor scholastic work, has been conspicuous by its absence.

CONCLUSION

A public school is a complex thing, and to be successful it requires the cooperation and interest of many varied groups. Here in Littleton the pupils, the community, the school board and the teachers appear to be working in harmony and it has been a pleasure for me this year to be a part of the school. Your cooperation and assistance has been most helpful at all times.

Respectfully submitted,

Bartlett McKinney,

Headmaster
